---

An Gest lecture was organized by the Computer Science Department on 10 Oct 2024, 11:00am at Seminar Hall for students who are studying VI semester. The main objective of this talk is to enhance the knowledge on Python Programming and its application

The resource person explained the basic concepts in Python Programming which was very useful for the students**. Mrs. S.P. Koli** shared information on the Python Programming Language and its scope. He described the difference between Python and other Programming Languages.

He also explained the students on how to get started with Python and install it, define functions, library files available etc.

The session was extremely interesting for the students and they got an opportunity to hear and learn from an industry stalwart. The students actively participated in the programme and acquired the knowledge in python programming.
