#### INTERNATIONAL DAY OF WOMEN AND GIRLS IN SCIENCE

#### REPORT ON MOVIE SCREENING

Date :- 12/02/2024

The objective of this event this event was to celebrate the achievements of women in science, and inspire next generation of female scientists by showcasing a movie that highlights the contributions and struggles of women in science. The event took place on 12/02/2024 organized by department of physics and was open to all students and faculties. The event began with warm welcome to all followed by a brief introduction to the significance of International day of women and girls in science. The centerpiece of the event was the screening of movie that celebrates the occasion of women in science. The movie selected for this occasion was "Radioactive", the incredible true story of Marie Sklodowska-Curie and her Nobel Prize-winning work that changed the world. The movie served as a powerful medium to educate, inspire and spark discussions about the role of women in science. The celebration of International day of women and girls in science through movie screening provided platform to honor the contributions of women in science.
